

Mastermind Principles

I release myself to the mastermind
Because I am strong when I have others to help me.

I believe the combined intelligence of the mastermind
creates a wisdom far beyond my own.

I understand that I will more easily create positive results in my life
when I am open to looking at myself, my problems and opportunities
from another's point of view.

I decide to release my desire totally in trust to the mastermind
and I am open to accepting new possibilities.

I forgive myself for mistakes I have made. I also forgive others
who have hurt me in the past so I can move forward into the future with a clean slate.

I ask the mastermind to hear what I really want – my goals, my dreams and my desires
and I hear my mastermind supporting me in my fulfillment.

I know, relax and accept, believing that the working
power of the mastermind will respond to my every need.

I am grateful knowing this is so.

I now have a covenant in which it is agreed that the mastermind
shall supply me with an abundance of all things necessary
to live a success-filled and happy life. I dedicate myself to be of maximum service to God
and my fellow human beings, to live in a manner that will set the highest example for others
to follow and to remain an open channel of God's will.

I go forth with a spirit of enthusiasm, excitement and expectancy.
